

Privacy Policy

Last Updated: October 2024

At Crumoney, we are committed to protecting your privacy and ensuring that your personal information is handled responsibly and securely. This Privacy Policy outlines how we collect, use, and safeguard your data when you interact with our services, including our Telegram app and any other platforms we provide.

1. Information We Collect

We collect the following types of information when you use our services:

- **Personal Information:** When you engage with Crumoney, we may collect personal information such as your name, email address, wallet address, and Telegram username.
- **Transaction Information:** As Crumoney operates on the Ethereum blockchain, we may collect and record your transaction history associated with our token distribution and interactions with our smart contracts.
- **Usage Data:** We collect data about how you use our services, including activity logs, IP addresses, device information, and other technical details that help us improve the functionality of our app.

2. How We Use Your Information

We use the information we collect to:

- Distribute Crumoney tokens as earned through our airdrop system on the Telegram app.
- Ensure proper functionality of our services, including token distribution and user experience improvements.
- Communicate with you regarding updates, promotions, and important notifications about Crumoney.
- Comply with legal and regulatory obligations, such as fraud prevention and security monitoring.

3. Sharing of Information

Crumoney does not sell, trade, or rent your personal information to third parties. We may share your information only in the following circumstances:

- **With service providers:** We may share data with trusted third-party partners who assist us in operating our services, conducting business, or servicing you, under strict confidentiality agreements.
- **For legal reasons:** We may disclose your information if required by law, regulation, or government authority.

4. Security of Information

We prioritize the security of your personal information. Crumoney employs industry-standard encryption and security measures to protect your data. However, no method of transmission over the Internet or electronic storage is 100% secure, and we cannot guarantee absolute security.

5. Your Rights

You have the right to access, correct, or delete your personal information. If you wish to exercise these rights or have any concerns regarding your data, please contact us at [Insert Contact Information].

6. Blockchain and Transparency

Crumoney operates on the Ethereum blockchain, which is decentralized and public. Your transactions related to Crumoney tokens will be recorded on the blockchain and can be viewed by anyone. Blockchain records cannot be altered or deleted.

7. Changes to This Policy

We reserve the right to modify this Privacy Policy at any time. Any changes will be posted on our website, and the updated policy will be effective as of the "Last Updated" date.

8. Contact Us

If you have any questions or concerns about this Privacy Policy or the way we handle your data, please contact us at [Insert Contact Information].

By using our services, you agree to the terms of this Privacy Policy.
